

IMER BELICA

Thomaston, Connecticut 06787 • (203)-558-7662 • imer.belica1999@gmail.com

Education

Bachelor of Science: Computer Science and Engineering, Software Design, 12/2021
University of Hartford - West Hartford, CT

Minor: Mathematics, Data Science, 12/2021
University of Hartford - West Hartford, CT

- GPA: 3.63
- Dean's List Fall 2017, Spring 2018, Fall 2019 Spring 2019, Fall 2020, Fall 2021

Relevant Courses: Mechatronics and Systems Design, Systems Programming, Software Development, Digital System Logic, Fundamentals of Circuits and Electronics, Predictive Data Science Models, Data Mining

Professional Summary

Aspiring Software Engineer dedicated to improving skills through hands-on learning and development work. Proficient in mobile and desktop development environments. Adept at using Java, Python, and other programming languages to produce clean code. Well-organized and collaborative team player with strong communication and analytical abilities.

Skills

- Databases: MySQL, MySQL Server
- Programming Languages: Java, Python, C++, C, VBA, Swift, MATLAB, JS, HTML5, CSS
- Technical Skills: Microsoft Office Suite, Mac, Windows, and Linux OS
- Data Structures and Algorithms
- Object-Oriented Programming
- Analytical Thinking and Problem Solving
- Strong Interpersonal and Communication Skills
- Software Testing and Validation
- Code and Quality Standards
- Data Storage and Retrieval
- Teamwork and Collaboration
- Time Management and Organization

Professional Experience

Manager & Cook, 06/2016 to Current
Wolcott Pizza – Wolcott, CT

- Managed payroll and maintained financial records while providing daily accounting for \$7,500+ in weekly revenues
- Assisted owner in hiring of 7 new employees and provided training and supervision to ensure for a successful onboarding process
- Collaborated cooperatively with owner to expand advertising radius, reaching an additional 10,000 homes and increasing earnings by 10-20%
- Oversaw inventory to ensure products are stocked and available for use
- Complied with health department and department of labor regulations

Student Preceptor, 08/2021 to 12/2021
University Of Hartford – West Hartford, CT

- Oversaw work of computer science and engineering students to educate on proper procedures and how to improve technical skills.
- Tutored students outside classroom and presented new topics to class.
- Assessed student knowledge levels and abilities with detailed assessments.

Workshop Engineer, 04/2021 to 06/2021
NASA – Wallops, VA

- Attended NASA Rock on event in which students from around the country would assist in building communication satellites at the NASA flight facility in Wallops, Virginia.
- Inspected project sites to monitor progress and adherence to design specifications, safety protocols and state sanitation standards.

Founder and President, 07/2018 to 07/2019
Engineering Club, MSMC – Newburgh, New York

- Coordinated and hosted events with 100+ students and introduced relevant topics and guest speakers to audience

Vice President, 07/2018 to 07/2019
Byte Knights Club, MSMC – Newburgh, New York

- Presented on current computer science topics to 20+ students
- Organized meeting and events pertaining to current computer science topics for club members and faculty.
